

OCT 30TH-NOV 7TH 43TH INTERNATIONAL FESTIVAL OF CULTURE

COLOMBIA - BOYACÁ

The International Festival of Culture is an important cultural event in Latin America that is celebrated every year, with the participation of more than 35 countries. It was created to show artistic and cultural expressions of the world, which enable cultural exchange, recognition of cultural diversity and public reaffirmation for strengthening their own identities.

FONDO MIXTO DE CULTURA

The Mixed Fund for Culture is a nonprofit organization, created by the national government with the participation of public and private resources, for the promotion and support of cultural programs and projects in the Department of Boyacá and the Republic of Colombia.

ABOUT BOYACÁ, TUNJA

- Tunja is a city located on the eastern range of the Colombian Andes, 130 km northeast of Bogotá. It is the capital of Boyacá department and the Central Boyacá Province. Tunja is an important educational center of known universities and a tourist destination. In addition to its religious and historical sites it is host to several internationally known festivals and is a jumping-off point for regional tourist destinations such as Villa de Leyva, Paipa, and Sierra Nevada del Cocuy.

TRAVEL ADVISORY
